

WFOR-TV QUARTERLY ISSUES/PROGRAMS LIST
JULY 1, 2010 THROUGH SEPTEMBER 30, 2010

Attached are listings of broadcasts or broadcast segments that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three-month period. During the preceding quarter, the Station also broadcast CBS Network programs such as 60 MINUTES, FACE THE NATION, and 48 HOURS. Additionally, the Station produced and broadcast a series of weekly EcoZone reports focusing on local businesses and individuals that are making a commitment to becoming more environmentally savvy. In addition, the Station produced and broadcast a "Community Calendar" and public service announcements promoting local community events and campaigns. Also, the Station produced and broadcast a series of NEIGHBORS 4 NEIGHBORS segments encouraging viewers who need help and those who want to help to call a telephone hot line staffed twelve hours daily. Each 30-second segment is placed in a random rotation ranging from one week to several months, depending on the topic, need and response. All of these programs are part of the Station's plan to address issues of concern to viewers.
